

Slater Baptist Church

Ministries and Spiritual Gifts

The following is a list of ministries at Slater Baptist Church. Under each ministry is a list of spiritual gifts that could be helpful for that particular ministry. Where more than one spiritual gift is listed, it is thought that any or all of those spiritual gifts would be helpful. It is not necessary for any one person to have all of those gifts. It is possible to minister in an area having only one of the listed gifts. It is also possible for more than one person to minister in an area with each person having a different gift. It is also possible for volunteers without any of the listed spiritual gifts to serve in that ministry. Either they will learn the skills needed for that ministry as they serve, or they will serve in a capacity temporarily until that need can be met by someone who has one or more of the spiritual gifts listed. It is possible to “fill in the gap” so to speak without having one of the spiritual gifts listed. But, in that case, it just may be that such a person has the gift of “Helps”.
